

GREENVILLE NATIONAL BANK
INTERNET/BILL PAY/MOBILE BANKING AGREEMENT AND
ELECTRONIC FUND TRANSFER ACT DISCLOSURE

Agreement - This Agreement, which includes the Internet Banking Customer Application, is a contract which establishes the rules which cover your electronic access to your accounts at Greenville National Bank ("GNB") through GNB's Internet Banking ("SYSTEM"). By using SYSTEM, you accept all the terms and conditions of this Agreement. Please read it carefully.

The terms and conditions of the deposit agreements and disclosures for each of your GNB accounts as well as your other agreements with GNB, such as loans, continue to apply notwithstanding anything to the contrary in this Agreement.

This Agreement is also subject to applicable federal laws and the laws of the State of Ohio (except to the extent this Agreement can and does vary such rules or laws). If any provision of this Agreement is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. The headings in this Agreement are for convenience or reference only and will not govern the interpretation of the provisions. Any waiver (express or implied) by either party of any default or breach of this Agreement must be in writing and shall not constitute a waiver of any other or subsequent default or breach. You may not assign this Agreement. This Agreement is binding upon your heirs and GNB's successors and assigns. Certain of the obligations of the parties pursuant to this Agreement that by their nature would continue beyond the termination, cancellation or expiration of this Agreement shall survive termination, cancellation or expiration of this Agreement. This Agreement, together with the Internet Banking Customer Application and Fee Schedule, constitutes the entire agreement between you and GNB with respect to the subject matter hereof and there are no understandings or agreements relative hereto which are not fully expressed herein.

Definitions - As used in this Agreement, the words "we," "our," "us," and "GNB" mean Greenville National Bank. "You" and "your" refer to the accountholder authorized by GNB to use SYSTEM under this Agreement and anyone else authorized by that accountholder to exercise control over the accountholder's funds through SYSTEM. "Account" or "accounts" means your accounts at GNB. "Electronic funds transfers" means ATM withdrawals, preauthorized transactions, point of sale transactions, transfers to and from your GNB accounts using SYSTEM. "SYSTEM Services" means the services provided pursuant to this Agreement. "Business days" means Monday through Friday; holidays are not included.

Access - To use SYSTEM, you must have at least one account at GNB, access to Internet service, and an e-mail address. Once we have received your signed Application, and verified your account information, we will send you confirmation of our acceptance of your application, along with your assigned log-in ID and temporary password. SYSTEM can be used to access only the GNB accounts which you have designated for access by SYSTEM in your Application. You can add or delete any of your GNB accounts from this Agreement by contacting our Internet Banking department. Access to your accounts through SYSTEM will be based upon the identification of users and authority levels specified by you in your Application. We undertake no obligation to monitor transactions through SYSTEM to determine that they are made on behalf of the accountholder.

SYSTEM Services - You can use SYSTEM to check the balance of your GNB accounts, view transactions processed on your GNB account, view and download GNB account statements, transfer funds between your GNB accounts, make stop payment requests, and pay bills. Some services will be limited in Mobile Banking.

Hours of Access - You can use SYSTEM seven days a week, twenty-four hours a day, although some or all SYSTEM services may not be available occasionally due to emergency or scheduled system maintenance. You agree that from time to time we may limit access to SYSTEM services to perform routine hardware or software maintenance and for similar purposes. We agree to post notice of any extended periods of non-availability on the SYSTEM web site.

Your Password - For security purposes, you are required to change your password upon your initial login to SYSTEM and every six months thereafter. You determine what password you will use and the identity of your password is not communicated to us. You agree that we are authorized to act on instructions received under your password. You accept responsibility for the confidentiality and security of your password and agree to change your password regularly. Upon three unsuccessful attempts to use your password, your access to SYSTEM will be revoked. To re-establish your authorization to use SYSTEM, you can contact us during regular banking hours to have your password reset and obtain a temporary password or use the Reset Password link.

We recommend that you create a password that utilizes both upper and lower case alpha and numeric characters and a special character for purposes of security. Your password should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth, names of children, and should be memorized rather than written down.

Security - You understand the importance of your role in preventing misuse of your accounts through SYSTEM and you agree to promptly examine your statement for each of your GNB accounts as soon as you receive it. You agree to protect the confidentiality of your account and account number, and your personal identification information, such as your driver's license number and social security number. You understand that personal identification information by itself, or together with information related to your account, may allow unauthorized access to your account. Your password and login ID are intended to provide security against unauthorized entry and access to your accounts. Data transferred via SYSTEM is encrypted in an effort to provide transmission security and SYSTEM utilizes identification technology to verify that the sender and receiver of SYSTEM transmissions can be appropriately identified by each other. Notwithstanding our efforts to insure that the SYSTEM is secure, you acknowledge that the Internet is inherently insecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. We cannot and do not warrant that all data transfers utilizing GNB SYSTEM, or e-mail transmitted to and from us, will not be monitored or read by others. At all times your user ID and password should be secured and kept confidential. Any computer virus or related technology or software problems that may occur with your computer are your responsibility. The Bank recommends that you routinely scan your computer and related media using a reliable virus detection product.

Fees and Charges - You agree to pay the fees and charges for your use of SYSTEM Services as set forth in the current fee schedule. You agree that all such fees and charges will be deducted from the primary GNB account on your Application. If you close your Primary Account, you must contact us immediately to designate another account as your Primary Account. You agree to pay any additional reasonable charges for services you request which are not covered by this Agreement. You are also responsible for telephone and Internet service fees you incur in connection with your use of SYSTEM. Data charges may apply based on your mobile phone provider and you as the mobile device owner are responsible for the charges.

Posting of Transfers - Transfers initiated through SYSTEM before 6:00 p.m. (Eastern Time) on Monday – Friday are posted to your account the same day. Transfers completed after the previously stated times on a business day, Saturday, Sunday or Federal holiday,

will be posted on the next business day. SYSTEM identifies transfers based upon the login ID of the user who made the electronic transfer. Accordingly, you understand and acknowledge that the View Postings screens in the Transfer menu options of SYSTEM will not reflect transfers made by multiple users from the same account if different login IDs are used. You agree to communicate with any other persons with authorized access to your accounts concerning any transfers from your accounts in order to avoid overdrafts.

The Bill Paying Process

Single Payments – A single payment will be processed on the business day (generally Monday through Friday, except Federal holidays) that you designate as the payment's processing date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time for bill payment, which is controlled by GNB, is currently 3:00 pm EST. A single payment submitted after the cut-off time on the designated process date will be processed on the next business day. If you designate a non-business date (generally weekends and Federal holidays) as the payment's processing date, the payment will be processed on the first business day following the designated processing date.

Recurring Payments – When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a processing date is calculated for the next occurrence of the payment. If the calculated processing date is a non-business date (generally weekends and Federal holidays), it is adjusted based upon the following rules:

- If the recurring payment's "Pay Before" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date prior to the calculated processing date.
- If the recurring payment's "Pay After" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date after the calculated processing date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated processing date, then the last calendar day of that month is used as the calculated processing date.

Single and Recurring Payments - The system will calculate the Estimated Arrival Date of your payment. This is only an estimate, so please allow ample time for your payments to reach your "Payees".

Canceling a Payment - A bill payment can be changed or cancelled any time prior to the cutoff time on the scheduled processing date.

Liability

- You are solely responsible for controlling the safekeeping of and access to your Password.
- If you want to terminate another person's authority to use the Bill Pay service, you must notify GNB and arrange to change your Password.
- You will be responsible for any bill payment request you make that contains an error or is a duplicate of another bill payment.
- GNB is not responsible for a bill payment that is not made if you did not properly follow the instructions for making a bill payment.
- GNB is not liable for any failure to make a bill payment if you fail to promptly notify GNB after you learn that you have not received credit from a "Payee" for a bill payment.
- GNB is not responsible for your acts or omissions or those of any other person, including, without limitation, any transmission or communications facility, and no such party shall be deemed to be GNB's agent.

Overdrafts (Order of Payments, Transfers, and other Withdrawals) - If your account has insufficient funds to perform all electronic fund transfers you have requested for a given business day, then:

- a. Electronic funds transfers involving currency disbursements, like ATM withdrawals, will have priority;
- b. Electronic fund transfers and bill payments initiated through SYSTEM which would result in an overdraft of your account may, at our discretion, be cancelled;
- c. In the event the electronic fund transfers and bill payments initiated through SYSTEM which would result in an overdraft of your account are not cancelled, overdraft charges may be assessed pursuant to the terms of the deposit agreement for that account.

Limits on Amounts and Frequency of SYSTEM Transactions - The number of transfers from GNB accounts and the amounts which may be transferred are limited pursuant to the terms of the applicable deposit agreement and disclosure for those accounts. If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer the portion of the funds held until the hold expires.

Stop-Payment Requests – You may initiate stop payment requests on-line via SYSTEM only for paper checks you have written on your GNB accounts. On-line Stop Payment Requests are processed when actually received by the Bank in proper form. The stop payment must precisely identify the name of the payee, the check number, the amount, and the date of the check. You will incur stop-payment charges as disclosed in the current fee schedule for the applicable account.

Periodic Statements - You will not receive a separate SYSTEM statement. Transfers to and from your accounts using SYSTEM will appear on the respective periodic statements for your GNB accounts.

Change in Terms - We may change any term of this Agreement at any time. If the change would result in increased fees for any SYSTEM service, increased liability for you, fewer types of available electronic fund transfers, or stricter limitations on the frequency or dollar amount of transfers, we agree to give you notice at least 30 days before the effective date of any such change, unless an immediate change is necessary to maintain the security of an account or our electronic fund transfer system. We will post any required notice of the change in terms on the GNB SYSTEM web site or forward it to you by e-mail or by postal mail. If advance notice of the change is not required, and disclosure does not jeopardize the security of the account or our electronic fund transfer system, we will notify you of the change in terms within 30 days after the change becomes effective. Your continued use of any or all of the subject SYSTEM Services indicates your acceptance of the change in terms. We reserve the right to waive, reduce, or reverse charges

or fees in individual situations. You acknowledge and agree that changes to fees applicable to specific accounts are governed by the applicable deposit agreements and disclosures.

In Case of Errors or Questions about Your Electronic Transfers - Contact us as soon as you can at the address or telephone number listed in this agreement, if you think your statement is wrong, or if you need more information about a transfer listed on your statement. We must hear from you no later than 60 days after we sent the FIRST statement upon which the problem or error appeared. When you contact us:

1. Tell us your name and account number.
2. Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe it is an error, or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you contact us by telephone, we may require that you send us your complaint or question in the form of paper writing by postal mail or fax within 10 business days.

We will communicate to you the results of our investigation within 10 business days (5 business days for check card point-of-sale transactions or 20 business days if the transfer involved a new account) after you contact us and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days (5 business days for check card point-of-sale transactions or 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and WE DO NOT receive it in the form of a paper writing within 10 business days, we may not provisionally credit your account.

If we decide that there was no error, we will send you a written explanation within 3 business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation. If we have made a provisional credit, a corresponding debit will be made from your account.

Our Liability for Failure to Make a Transfer - If we do not complete a transfer to or from your account, including a bill payment, on time or in the correct amount, according to our agreement with you when you have properly instructed us to do so, we will be liable to you for your losses or damages caused as a result. However, there are some exceptions. We will NOT be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your account to make a transfer.
2. If a legal order directs us to prohibit withdrawals from the account.
3. If your account is closed, or if it has been frozen.
4. If the transfer would cause your balance to go over the credit limit of an established line of credit or the credit limit for any credit arrangement set up to cover overdrafts.
5. If you, or anyone authorized by you, commits any fraud or violates any law or regulation.
6. If any electronic terminal, telecommunications device, or any part of the SYSTEM electronic fund transfer system is not working properly when you attempted to initiate the transfer and you reasonably suspected that there was a problem or that your transfer might not have been initiated, but you failed to notify us.
7. If you have not properly followed the on-screen instructions for using SYSTEM or you fail to receive a transaction confirmation screen.
8. If circumstances beyond our control (such as fire, flood, interruption in telephone service or other communication lines) prevent the transfer, despite reasonable precautions that we have taken.

Your Liability for Unauthorized Transfers - CONTACT US AT ONCE if you believe your password has been lost, stolen, used without your authorization, or otherwise compromised, or if someone has transferred or may transfer money from your accounts without your permission. An immediate telephone call to us is the best way to reduce any possible losses. You could lose all the money in your accounts. If you contact us within 2 business days after you learn of the loss, theft, compromise, or unauthorized use of your password, you can lose no more than \$50 if someone used your password without your permission.

If you do NOT contact us within 2 business days after you learn of the loss, theft, compromise, or unauthorized use of your password, and we can prove we could have stopped someone from using your password to access your accounts without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, contact us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost through transactions made after the 60 day time period if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or hospital stay) kept you from contacting us, we will extend the time periods.

Confidentiality - We will disclose information to third parties about your account or the transfers you make:

1. Where it is necessary for completing transfer; or
2. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
3. In order to comply with government agency or court orders; or
4. As explained in the separate Privacy Disclosure.

Disclaimer of Warranty and Limitation of Liability - We make no warranty of any kind, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, in connection with the SYSTEM Services provided to you under this Agreement. We do not and cannot warrant that SYSTEM will operate without errors, or that any or all SYSTEM Services will be available and operational at all times. Except as specifically provided in this Agreement, or otherwise required by law, you agree that our officers, directors, employees, agents or contractors are not liable for any indirect, incidental, special or consequential damages under or by reason of any services or products provided under this Agreement or by reason of your use of or access to SYSTEM, including loss of profits, revenue, data or use by you or any third party, whether in an action in contract or tort or based on a warranty. Further, in no event shall the liability of GNB and its affiliates exceed the amounts paid by you for the services provided to you through SYSTEM.

Your Right to Terminate - You may cancel your SYSTEM service at any time by providing us with written notice by postal mail or fax. Your access to SYSTEM will be suspended within 3 business days of our receipt of your instructions to cancel the service. You will

remain responsible for all outstanding fees and charges incurred prior to the date of cancellation. GNB is not responsible for any fixed payment made before GNB has a reasonable opportunity to act on your termination notice. You remain obligated for any payments made by GNB on your behalf.

Our Right to Terminate – We may cancel your SYSTEM service for any of the following:

1. Without prior notice, if you have insufficient funds in any one of your GNB accounts. SYSTEM service may be reinstated, in our sole discretion, once sufficient funds are available to cover any fees, pending transfers, and debits.
2. Upon 3 business days notice, if you do not contact us to designate a new Primary Account immediately after you close your Primary Account.
3. Upon reasonable notice, for any other reason in our sole discretion.
